The meet will take place in the Gabrielsen Natatorium's state of the art 50M x 25YD competition pool. One eight lane 50 meter course will be used for competition during the meet. An Eight lane 25yd warm-up/down pool will be available throughout the course of the meet. A Colorado System 6 automatic timing system, non-slip touch pads, non-turbulent lane lines, and two 8-lane score boards will be used. The competition course has been certified in accordance with 104.2.2C(4) . The copy of such certification is on file with USA Swimming & Georgia Swimming.

Eligibility: Open to all swimmers registered with Georgia Swimming who have achieved the required time standard for each event entered **since July 25th, 2008**. Swimmers who have achieved the 1500 free qualifying standard are also eligible to enter the 800 Free. Swimmers who have achieved qualifying standards for the 100s of the strokes may swim the corresponding 50s.

Rules: Current USA Swimming rules will govern the conduct of this meet, unless otherwise noted herein.

Format: All individual events will be conducted on a Preliminary and Final basis with the exception of the 800 Freestyle, which will be conducted as a timed final event.

The 800 Freestyle will be swum fastest to slowest alternating heats of women and men. Swimmers will have the option to declare their preference of swimming AM or PM. The fastest 8 women and men declaring the PM option will compete in the finals session on Saturday night. The remaining heats will swim following the conclusion of the 400 Freestyle Relay, beginning with the next fastest heat of women. All swimmers must check in for the 800 by 12:30 PM Friday.

All relay events will be Timed Final events. All relays (with the exception of the 400 Medley and 800 Freestyle) will be contested in the morning sessions.

For the 400 Medley Relay the fastest two heats of women and the fastest two heats of men will be swum in the Finals session on Friday, with all other heats being swum during the Friday Prelims. All heats of the 800 Freestyle Relay will be swum at the end of Finals on Thursday evening. Teams may enter two women's and two men's relays for all 200 and 400 meter events. The 800 Freestyle Relay will be limited to one men's and one women's relay per team.

Championship, Consolation and **two** Bonus Heats (four heats total) will be swum in each event, except for the 400 Free and 400 IM, which will consist of an A and B final only. The Championship Heat for each event will precede the Consolation Heat, which will precede the Bonus Heats during Finals. Or in other words, the A final (top 8 qualifiers) will swim first, and will then be followed by the B, C, and D finals in that order.

The 400 Freestyle and 400 IM will be conducted as follows. The four fastest heats of both women and men will be swum slowest to fastest at the end of their respective morning sessions. These four heats will not alternate by gender. Any remaining heats will be swum fastest to slowest and will alternate by women and men.

Those swimmers who are designated as First and Second Alternate in each event must stand by the starter's console to be eligible for moving into an empty lane at Finals. Though no swimmers who are "scratched in" will be penalized for being absent from finals, meet management asks all swimmers who will not be returning for the evening session to scratch as a courtesy to other competitors. For more information on the process of check in and scratching, please refer to the current Georgia Scratch Rule included with this meet information.

In order to maintain a reasonable timeline and to regulate the continuity of the meet the Meet Director, in consultation with the Meet Management Committee (Meet Director, Senior Committee Chairs, Meet Referee), reserves the right to make the final decisions on the following: dive over starts, rest breaks, scheduling of time trial swims, and any other issues that affect the management (as opposed to the conduct) of the meet.

Seeding: All events will be pre-seeded with the exception of the 400 Free, 400 IM, 800 Free, and all relays. These events will require a positive check-in at the Clerk of Course.

Check in: Coaches must check in the 200 Freestyle Relay by 8:15 AM on Thursday. For all other events (with the exception of the 800 Freestyle), the Clerk of Course will close for prelim event check-in at 8:30 AM each day. **Please note that swimmers must check in for the 800 Free no later than 12:30 PM Friday, July 24th (the day before the event is to be swum).**

Entry limit: Swimmers will be limited to competing in three (3) individual events per day plus relays. Each team will be limited to two (2) relay teams per event, with the exception of the 800 Freestyle Relay, in which each team is limited to a single (1) relay each.

Entries: Entries must be submitted in electronic format compatible with Hy-Tek's Meet Manager. Entry files should be submitted via email or on CD-R (**please no floppies**). Entries must include the USA Swimming Club Code and each swimmer's USA Swimming number, first and last name, age, and seeding time for each event entered. Swimmers entering the meet who are only competing as members of a relay must be entered with all other participants for the purpose of verifying USA Swimming registration. Please make sure that fees and a hard copy of the entries are received by **the deadline of July 15th, 2009**. Please sign signature waiver for all overnight deliveries. Proof of Times: Swimmers who enter state championship meets must have achieved a time equal to or faster than the qualifying time for the events entered since July 25th, 2008. Final results will be reviewed by the Senior Chairman to determine swimmers' eligibility at this meet. If a swimmer fails to achieve the qualifying standard at the meet and cannot prove that he/she achieved the qualifying standard prior to the entry deadline for the meet, then Georgia Swimming, Inc. will invoke a fine of \$50.00 against the team of said swimmer, or against the swimmer if unattached, for each non-qualifying swim. Failure to pay in the manner prescribed by Georgia Swimming, Inc. will result in the barring of said team or swimmer from participating in the next State Championship Meet.

Zone Selection: The Southern Zone Championships will be held July 28th - August 2nd in Orlando. The cost for selected participants will be approximately \$300. Financial assistance is available in some cases. Members of the 2009 Georgia Zone Team will be selected based on following process.

There will be 10 Male and 10 Female swimmers selected for the 15-18 age group. The top eligible swimmer in each of the 100 meter events will earn an automatic berth on the Zone Team. The remaining spots on the Zone Team will be determined by individual scoring. Each swimmer's top six swims will be scored. Scoring will be as follows:

1st - 9 points, 2nd - 7, 3rd - 6, 4th - 5, 5th - 4, 6th - 3, 7th - 2, 8th - 1.

Time trials and leadoff splits for relays will not be considered in the Zone Selection process. Swimmers who achieve a Senior National Time standard at the State Meet are not eligible for the Zone Team. In order to be considered for the team, swimmers must register online:

<http://www.gaswim.org>

Please note that the application requires a \$50 deposit, payable to Georgia Swimming which must be received before 6:00 pm on July 23rd for the 15-18 age groups.

Deposits will be taken online when swimmers register via the website above.

If a swimmer fails to make the team, his or her deposit will be refunded. Otherwise funds will be put towards the cost of the trip. If a swimmer makes the team, but chooses to opt out once the state meet has started, he or she will forfeit the \$50 deposit.

There will be a meeting of the Zone Team after the conclusion of the Saturday evening final session. Selected swimmers must show proof of insurance and pay the remainder of the fees at that time.

Scoring: Scoring will be first through 16th places. No points will be awarded to swimmers not achieving the State Qualifying time in either the prelims or finals.

Safety Marshal: Sarah Blackwell
E-mail: blackwel@uga.edu

Warm-up: Georgia Swimming, Inc. warm-up procedures will be in effect for the meet. There will be a controlled warm-up period before prelims in order to assure space for all swimmers. A warm-up schedule will be posted and distributed to all teams. Warm-up marshals will be assigned to monitor the warm-up. Coaches must be USA-S certified and are required to supervise their swimmers during the warm-up period.

Safety: In the interest of safety, coaches and swimmers shall observe all posted rules and conduct themselves in a safe and prudent manner. No one will be allowed to climb to the three, five, seven, or ten meter tower, the practice boards and mats, or the one and three meter diving boards for any reason. During the course of the competition, athletes must remain in the natatorium and locker room areas. The remainder of the Ramsey Student Center is off limits to swimmers and event spectators. The Gabrielsen Natatorium, the Ramsey Student Center, Athens Bulldog Swim Club, and the University of Georgia will not accept responsibility for any person who climbs to an unsafe height for any reason. Coaches are reminded to tell their swimmers that the depth of the competition pool is 8 feet at the starting ends. Swimmers should always use caution when diving from the starting blocks.

Seating: For meet management purposes and in compliance with safety regulations only swimmers, coaches, and officials will be allowed on the pool deck. There will be no team seating on the pool deck, therefore swimmers are asked to keep food, swim bags, equipment, and related items in the area designated for spectators. There will be no spectator seating in the hallways.

Liability Release: USA Swimming, Inc., Georgia Swimming, Inc., University of Georgia and Athens Bulldogs shall be free from any liabilities or claims for damages arising by reason of injury to anyone during the conduct of the meet.

The attached liability release must accompany each team's entry.

USAS Registration: Each club is responsible for the proper registration of its swimmers, officials and coaches. All coaches must be members of USA-S and must meet current USA-S safety training requirements. Any coach not having a current 2009 certification card will be barred from the pool deck. There will be no exceptions. If a swimmer attends the meet without a coach, he or she must arrange to be supervised by a USA-S member coach from another team.

Scratch Rule The current Georgia Swimming scratch rule will be in force (see attached). A swimmer qualifying for any final (A, B, C, or D) who fails to comply with this scratch rule, shall be barred from the remainder of the meet unless excused by the referee. Failure to compete in an event for which there is positive check-in will result in the disqualification of that swimmer from his or her next event.

Officials: The Athens Bulldogs (ABSC) welcome visiting officials and would appreciate help in officiating this meet. Any certified official or apprentice registered with USAS is encouraged to contact the Meet Referees prior to the meet. Officials who would like to work specific positions or sessions should contact the Meet Referee as soon as possible. All officials must wear current USA Swimming registration card while on deck and present current Georgia Officials certification card at check-in. Officials without proper credentials will not be allowed on deck. Any prospective officials who have completed the Home School training and would like to take the express clinic should contact the Meet Referee 10 days prior to the meet. Please remember that starter apprenticeships are not allowed at the State Championship Meet.

Athletes: The Athletes will be electing a new Junior representative to the Georgia LSC's Athlete's Committee. More information will be available at the meet.

Meet Results: After each session results will be posted on the Athens Bulldog Swim Club web site. A Hy-tek meet events file may be downloaded from the ABSC website as well (www.athensbulldogs.com).

GEORGIA SWIMMING INC. SCRATCH RULE

The Scratch Rule used in all meets in Georgia where the meet format has preliminary heats, consolation finals, and finals is the same "Scratch Rule" as that found in the current USA Swimming Rules and Regulations, Rule 207.5.9 D and E.

- A. Scratching from finals:
 - 1. Any swimmer qualifying for a C, B, or A (bonus and consolation final or) final race in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in paragraph E.
 - 2. In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the C, B, or A (bonus and consolation final or) final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
 - 3. Where C and B (bonus and consolation) finals have not been swum and a barring or withdrawal is known to the Referee, the Referee shall re-seed the C, B, or A (bonus final, consolation final or) final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
 - 4. If a C or B (bonus and consolation) final has already been contested, the companion final shall be swum without reseeding for the empty lane(s).
- B. Exceptions for failure to compete – No penalty shall apply for failure to withdraw or compete in an individual event if:
 - 1. The Referee is notified in the event of illness or injury and accepts the proof thereof.
 - 2. A swimmer qualifying for a C, B or A (bonus or consolation final or) final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
 - 3. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

*LSC ADDITIONS (Adopted 9/2006)

- 1. Swimmers who qualify for any additional heats beyond the above mentioned "C, B and A" final races will also be subject to the above rules concerning scratching from finals.
- 2. In deck seeded events, a swimmer who has checked in, been seeded and fails to compete in said event, shall be barred from his or her next individual event, except as noted in section E above. This rule also applies in timed finals meets where the meet management has placed limits on the number of heats to be contested or the number of individual entries to be accepted for deck-seeded events, unless otherwise stated in the Meet Information.
- 3. There is no scratch rule governing relays and there is no penalty regarding relay scratches.
- 4. Qualifiers for all finals heats and first and second alternates are those as identified on the original results of the preliminary heat.
- 5. The meet official designated to receive initial intentions not to compete and final intentions shall be announced at the beginning of each session. It is suggested that this official be the Clerk of Course.
- 6. On the final day of LSC Championship competition, any swimmer who has checked in for finals and fails to show will be assessed a \$50 fine. This fine must be paid before the next LSC Championship meet in which the swimmer intends to compete or the swimmer will be barred from competition.
